

Trinity Outdoors Disabled Adventures, LLC (501c3) over the last 14 years has provided all inclusive outdoor adventures for kids, adults and veterans with special needs. Our mission of helping those who also experience natural disasters and others who are looking for a new life after the devastating effects of drug and alcohol problems. The proceeds from this fundraiser goes toward these particular trips including operations and the blessing of other nonprofit groups and people in need, at our discretion.

T.O.D.A. has been blessing thousands of individuals and their families for 10 years now. Most of these individuals have a child, family member, relative or even may be disabled themselves. It is our mission to continue to give love, joy and new outlook on life to those who are willing to surrender the old and bring in the new. OUR track record continues to prove itself.

Thank you for joining our team and supporting a non-profit organization that continues to give back locally.
